

5th Croatian Congress

OF AIRWAY MANAGEMENT with International Participation

THE QUALITY OF AIRWAY MANAGEMENT

28th February and 1st March 2025

Dubrovnik Hotel, Zagreb, Croatia

PRELIMINARY PROGRAMME

Event ID EMT41917

COMPLIANT with Medtech Europe

PRELIMINARY PROGRAMME

Friday 28th February 2025.
Dubrovnik Hotel, Gajeva 1, Zagreb

Entrance: registration 08:00-18:00
Ban Jelačić Hall: opening, lectures, posters, workshops
Ban Zrinski Hall: sponsor exhibition

08:30-09:00 Congress opening
Opening speeches

I. FACTORS OF QUALITY AIRWAY MANAGEMENT

Chairs: Tatjana Goranović, Marijana Karišik

09:00-09:20 Lecture 1 (20'):
Tatjana Goranović
Quality of Airway Management- the Current State and the Future

09:20-09:40 Lecture 2 (20'):
Nevena Kalezić
Is It Necessary to Remind Us of the Importance and Advances in Airway Management?

09:40-10:00 Lecture 3 (20'):
Marijana Karišik
Team Based Performance-Key for Good Airway Management

10:00-10:20 Coffee break (20')

10:20-10:40 Lecture 4 (20'):
Renata Curić Radivojević
Airway Education for Medical Students, When and How?

10:40-11:00 Lecture 5 (20')
Nevenka Piskač Živković
Navigational Bronchoscopy: Recruitment Maneuver and PEEP to Improve the Success of the Method

11:00-11:15 Lecture 6 (15')
Ivana Šimić Prgomet
Voice quality after endotracheal intubation in head and neck surgery

11:15-11:35 Lecture 7 (20')
Marko Zdravković
Quality of Research in Airway Management

11:35-12:05 Discussion (30')
Human vs. technology in airway management
Moderator: Milana Zlatić Glogoški

12:05-13:00 E-posters (55')

13:00-14:00 Lunch break

II. CHALLENGES OF QUALITY INTUBATION

Chairs: Biljana Shirgoska, Jasna Špiček Macan

14:00-14:20 Lecture 8 (20'):

Biljana Shirgoska

Comparative Evaluation of the Quality of Intubation during Video Laryngoscopy and Classical Laryngoscopy

14:20-14:40 Lecture 9 (20'):

Jasna Špiček Macan

Challenges of intubation and extubation in lung transplantation

14:40-15:00 Lecture 10 (20'):

Tijana Nastasović

Early Airway Management in Patients with Severe Traumatic Brain Injury

15:00-15:15 Lecture 11 (15'):

Maja Karaman Ilić

New life for Univent™ tubes

15:15-15:30 Coffee break (15')

15:30-15:45 Lecture 12 (15'):

Tino Klancir

Videolaryngoscopy during transnasal intubation

15:45-16:00 Lecture 13 (15'):

Ana Brundula

Challenges of intubation in obese patients

16:00-16:10 Lecture 14 (10')

Neven Elezović

Izazovi intubacije u opstetriciji

16:10-16:20 Lecture 15 (10')

Ana Vuzdar Trajkovski

Visokoprotlačna nazalna oksigenacija kod opće anestezije za carski rez

16:20-16:50 Discussion (30')

Key factor for successful intubation

Moderator: Milana Zlatić Glogoški

16:50-17:00 Break

17:00-19:00 Workshops on basic and advanced airway management (120')

Moderators: Renata Curić Radivojević, Vladimir Dolinaj, Tatjana Goranović, Bibiana Vitković

Saturday, 1st March 2025
Dubrovnik Hotel, Gajeva 1, Zagreb

Entrance: registration 08:00-18:00
Ban Jelačić Hall: lectures, posters, workshops, closing, CMA-CSDAM Annual Assembly
Ban Zrinski Hall: sponsor exhibition

III. INFECTIONS AND THE AIRWAY

Chairs: Slavica Kvolik, Radmilo Janković

09:00-09:20 Lecture 16 (20'):
Despoina Kouleri
Ventilated HAP and VARI (VAT/VAP)

09:20-09:40 Lecture 17 (20'):
Gordana Pavliša
Management of community-acquired pneumonia in the intensive care unit

09:40-10:00 Lecture 18 (20'):
Radmilo Janković
Biomarkers of inflammation in respiratory tract infections

10:00-10:15 Coffee break (15')

10:15-10:35 Lecture 19 (20'):
Višnja Neseek Adam
Reintubations in the ICU

10:35-10:55 Lecture 20 (20'):
Slavica Kvolik
Equipment changes for non-invasive ventilation and oxygenation brought by COVID-19

10:55-11:15 Lecture 21 (20'):
Emil Dediol
The airway and odontogenic infections of the head and neck

11:15-11:45 Discussion (30')
To intubate or not to intubate the infected airway?
Moderator: Zrinaka Šafarić Oremuš

11:45-13:00 E-posters (75')

13:00-14:00 Lunch break

IV. CHALLENGES OF QUALITY EXTUBATION

Chairs: Vladimir Dolinaj, Boris Šimunjak

14:00-14:20 Lecture 22 (20):

Vladimir Dolinaj

Extubation guidelines and protocols

14:20-14:40 Lecture 23 (20):

Tjaša Ivošević

Extubation strategies after surgery for oral cavity cancer

14:40-14:55 Lecture 24 (15):

Tamara Murselović

Extubation in patients after cervical spine injury

14:55-15:10 Lecture 25 (15):

Ante Penavić

Extubation after a full stomach

15:10-15:25 Coffee break (15')

15:25-15:40 Lecture 26 (15):

Sanja Berić

Extubation in pregnant women

15:40-16:00 Lecture 27 (20):

Koraljka Hat

Comparison of the quality of percutaneous and surgical tracheotomy

16:00-16:20 Lecture 28 (15):

Boris Šimunjak

Decannulation

16:20-16:50 Discussion (30')

Key factor for successful extubation

Moderator: Morena Milić

16:50-17:00 Break

17:00-19:00 Workshops on basic and advanced airway management (120')

Moderators: Renata Curić Radivojević, Vladimir Dolinaj, Tatjana Goranović, Bibiana Vitković

19:00-19:15 Congress closing

19:15-19:45 CMA-CSDAM Annual Assembly
